

## Privacy Policy

### 1. Information to be collected and method of collection

We collect information from you when you send an inquiry to us. When sending an inquiry over our website, you may be asked to enter your name, email address, and message. By submitting the information to us, you will be treated as having consented to our collection of your personal data. You may, however, visit our site anonymously.

### 2. Use of collected information

We collect, use and disclose your personal data for the following purposes in connection with your relationship with the company, to the extent applicable:

- A. Processing and responding to your inquiry – we may use the information you provide to register and administer your account, and/or to fulfill and carry out any transaction as requested or authorized by you.
- B. Improving our website - we continually strive to improve our website offerings based on the information and feedback we receive from you.
- C. Enhancing customer service - your information helps us to more effectively respond to your customer service requests and support needs.

### 3. Protection of information collected

We implement a variety of security technologies and policies in the storage and transmission of your personal information with the aim of maintaining the safety of your personal information.

### 4. Usage of Cookies

Cookies, which are small text files that a webpage can send and store on your computer or mobile device, are used to compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

### 5. Security

The Company regards the security of personal information of users as very important. The company constructs the following security measures to protect the users' personal information from any unauthorized access, release, use or modification.

### 6. Modification of Privacy Protection Policy

Any changes made to our website privacy policy will be posted on our website with effect from last updated date, 2 January 2017. We reserve the right to make amendments to the privacy policy without prior notice to you.

### 7. Contacting Us

Should there be any questions regarding this privacy policy you may contact us to [general@daehanmetals.com](mailto:general@daehanmetals.com) or call us at +82.51.974.6001 provided on the website.
